Dear Dr. Haskins:

I am delighted to have your letter -- Allen was asking of you only this morning. We will take due notice, of course, of your correct address. Indeed, I am hoping that I may reach you there during the summer to invite you to lunch with the members of the Board of National Estimates and have a chance to discuss with you some of the tricky angles of our annual paper on the Soviet Union. I much appreciate your generosity in preferring to forego the per diem.

We all look forward to your association.

Sincerely yours,

Sherman Kent  
Assistant Director
